805-585-3828

Tony has a diverse background of nearly twenty five years in business, entrepreneurship and legal assistance. He began his mediation career in 2013 in order to provide his clients a complete service offering. His mediation expertise in business, contracts, tenant disputes, employment issues, and intellectual property rights, makes him well versed to handle a variety of cases, disputes and negotiations.

His training and certification in conflict resolutions and mediation skills has allowed Tony to handle highly polarized disputes successfully. Known for his calming presence and ability to handle complex issues, large groups and charged participants.

Achievements include successful resolutions over hundreds of issues both inside and outside the court system.

Training: Certified LDA – License #44 Santa Barbara County, Certified paralegal, Certified Mediator

Education: B.A. Finance, Hamilton, Certified Paralegal, LDA and Mediator

“... You have had notable success in bringing parties to agreement: and even where that has not been possible the parties have had the opportunity to share information and air their opinions before coming to court. That, I’ve noticed, has generally had a good effect on the speed and clarity with which the case can be processed by the court.” ~ Judge Jed Beebe
